• Our equipment, including wall/trailer/van is 35' long, 12' high, 12' wide driving into your site. We need 35' length, 22' wide foot-print, for portable wall landing area. When putting up wall there is a 26' high arc as the hydraulics lift/place wall on the ground. Wall, on ground is 23' high. 2 climbing stations. NO REFUNDS - IF WE ARRIVE AND FIND WE CANNOT MANEUVER OR SET UP WALL GIVEN BARRIERS, CARS, BUSES, GATES, LOW HANGING OBSTACLES, GRASS, etc.

- Hazards/logistics checked(electrical/phone lines, rafters, tree limbs, narrow fences/gates, ceilings, curbs, surface condition, other vendors, booths, parking, busses, WE DON'T DRIVE ON GRASS, etc.)

- Compensation Terms (**Non-Refundable, Non-Transferable**; we are there in rain, snow, wind – great wall texture!) \$ _____ due _____.
- \$50 extra charge to be listed as additional insured with RockVentures Insurance Company.
- Volunteers Promised #, Dates, Days, Times: _____
- **We cannot operate, may leave, if promised volunteers are not on time, entire time. No refunds.**

I understand when volunteers do not stay entire time, change often, this drastically effects number of people who can climb as we need to stop our supervision/instruction to train new volunteers.

- Each participant needs to sign, complete a waiver; under 18 yrs. a parent must sign waiver too.
- Waiver can be downloaded from www.rockventures.net.
- I agree with this contract and am authorized to sign for my Event/ Organization:
